

Product Compliance Consultancy

Who we are...

Public Analyst Scientific Services (PASS) is based in the UK and is part of the Eurofins group. We have eight public analysts who are expert in the law relating to food, agriculture and consumer products.

We can provide the following services:

Food

- Comprehensive label checks on food product labels to ensure compliance with all relevant EU/UK legislation
- Label translation services
- New product ingredients review
- Product conformity testing
- New product specification building
- Products for import into EU
- Products for export to EU/non-EU
- Assessment of health and nutrition claims
- Novel food assessment
- Food supplements

Animal Feed

- Product labelling and compliance with EU legal requirements
- Verification of statutory statement
- Assessment of label claims

Auditing

- Auditing of suppliers
- HACCP
