GENERAL TERMS AND CONDITIONS OF PURCHASE

1. Scope

1.1. These general terms and conditions of purchase (the “**GTP**”) govern the contractual relationships between:

- (a) Eurofins Bay Of Plenty Limited (private limited liability company) duly incorporated and validly existing under the laws of New Zealand, having its registered office at 35 O'Rorke Road, Penrose, Auckland New Zealand and registered with the Registrar of Companies in New Zealand under number 6023812 (“**Eurofins**”); and
- (b) its suppliers and/or service providers (individually the “**Supplier**”).

They apply (i) to any and all purchase of goods and/or equipment (the “**Products**”) from the Supplier by Eurofins and/or (ii) to any and all provision of services (the “**Services**”) by the Supplier to Eurofins (the Services and the Products, being hereafter defined as the “**Articles**”).

1.2. Contingent on the Supplier being provided by Eurofins with these GTP, these GTP govern all contractual relationships between Eurofins and the Supplier as of the date on which the Supplier:

- has executed them for acknowledgement; or
- is deemed to have accepted them by beginning or continuing (i) the provision of the Services and/or (ii) the supply of the Products.

1.3. The GTP may only be waived, altered, amended or modified:

(a) by specific terms and conditions of purchase of Eurofins (the “**STP**” – reference is expressly made to the following STP: i.) STP - Search Services (Appendix 1); ii.) STP – Services (Appendix 2)) which will apply as of the date on which the Supplier:

- has executed them for acknowledgement; or
- is deemed to have accepted them by beginning or continuing (i) the provision of the Services and/or (ii) the supply of the Products.

(b) in a written frame-agreement signed by an authorized representative of Eurofins and the Supplier, that shall expressly specify that it prevails over these GTP and /or the STP, if any, failing which these GTP and the STP, if any, will remain in force and will prevail over this agreement.

1.4. The GTP, the STP, and the frame-agreement, if any, shall be an integral part of the whole agreement between the parties (the “**Agreement**”).

2.1. The Supplier and Eurofins expressly agree that the provisions of these GTP and the STP, if any, take precedence over any Supplier terms and conditions. Therefore, notwithstanding any clause to the contrary in the general terms and conditions of sale of the Supplier, or in any other document issued by the Supplier, the Supplier by accepting the GTP and the STP, if any, or being deemed to have accepted them (as per Clause 1), waives any clause of its general terms and conditions which could be regarded as conflicting terms and conditions and/or contrary or inconsistent with any provisions of the GTP and/or of the STP, and more specifically provisions related to:

- the formation of the Agreement;
- the termination of the Agreement;
- the price;
- the invoicing;
- the delivery;
- the warranty against nonconformity and/or defects;
- the indemnification and liability; and
- the confidentiality.

3. Information / Conclusion / Modifications

3.1. The Supplier undertakes to provide Eurofins forthwith with all relevant information to enable Eurofins to give its free and informed consent to the establishment or amendment of the contractual relationship between the parties (the “**Relevant Information**”).

The Supplier shall also draw the attention of Eurofins forthwith to (i) any discrepancy or inconsistency between (a) the GTP and the STP, if any and (b) any provisions of any mandatory law or regulation applicable to the sale of the Products and/or the provision of the Services as well as (ii) any inapplicability, illegality and/or potential unenforceability of the provisions of the GTP and the STP, if any (the “**Legal Relevant Information**” and together with the Relevant Information, the “**Information**”).

3.2. The agreement between Eurofins and the Supplier will be concluded, or amended, once Eurofins has expressed its consent in writing to the conclusion or amendment. All Information shall have been provided to Eurofins by the Supplier on the date of the written consent given by Eurofins, failing which, Eurofins will be entitled to claim for damages and/or termination and/or nullity or voidness of the agreement.

Without prejudice to the provisions of these GTP or the STP, if any, to be valid, any order, agreement, instructions, offer and notice must be executed by an authorized representative of Eurofins.

3.3. Any consent given by Eurofins is conditional on the Supplier’s agreement that any additional or different terms in the Supplier’s order acknowledgement, invoices, order confirmation, quotations and other communications are material alterations and, irrespective of the timing, shall not form a part of the agreement between the parties.

3.4. Eurofins’ failure to object to conflicting, contrary or additional terms and conditions shall not be deemed as an acceptance by Eurofins of such terms and conditions or a waiver of the provisions hereof.

4. Duration

Agreements may:

- be of instantaneous performance (the “**Instantaneous Performance Agreements**”);
or
- provide for performance successively or in instalments (the “**Successive Performance Agreements**”).

Appendix 1: Specific Terms and conditions of Purchase (STP) - Search Services

1. Scope of terms and conditions

These STP apply to all services supplied by a personnel / executive search, HR consulting, recruitment or headhunting firm (hereinafter referred to as the “**Search Firm**”).

2. Fee structure

- 2.1 A fixed fee cap (the “**Fee Cap**”) (i.e. independent of the salary and benefits finally agreed with the person recruited as a result of the search) for each position has to be agreed before a search can start. In no case shall the Search Firm bill Eurofins more than this fee cap for any given search mandate. If the search contract specifies that the fee for the search firm shall be a set % of the selected candidate's salary then only the lower of the Fee Cap and the amount resulting from applying the % salary shall be charged to Eurofins. A separate cap for expenses (see 2.6 below) has also to be agreed before a search can start.
- 2.2 Installments, plus applicable taxes, will be invoiced to Eurofins on each search as follows:
- 1st installment (25%) at the start of the respective search;
 - 2nd installment (25%) after Eurofins makes an offer to a candidate presented by the search firm;
 - 3rd installment (50%) after the successful hiring of a candidate (i.e. the candidate effectively starting in his/her new position at Eurofins).
- 2.3 If the search is stopped by Eurofins or by the Search Firm before a candidate is hired, only installments paid until that point will be due. Eurofins shall not incur any additional charges.
- 2.4 If, during the 12 months following the recruitment, the candidate recommended by the Search Firm voluntarily resigns or leaves at the request of Eurofins (i.e. Eurofins terminate his/her employment), the Search Firm will undertake a new search and selection process without Eurofins incurring any further costs or fees from the Search Firm, except those for direct expenses (inclusive of GST).
- 2.5 Fees for any follow-on hire (within the scope of the underlying search) resulting from candidates presented as part of an existing search will be charged to Eurofins at 50% of the fee cap for the underlying search or at 50% of the % of salary agreed as a fee for the search, whichever is lower, plus direct expenses and applicable taxes.

For hires resulting from candidates presented outside the scope of an underlying search, the fees due by Eurofins shall never exceed 15% of the annual salary or NZD25, 000, whichever is lower.

- 2.6 Out of pocket expenses incurred on Eurofins behalf by search consultants and more usually by candidates and will be invoiced monthly as incurred along with applicable taxes. In any case, unless there is a prior written approval by Eurofins, these shall not exceed the agreed

fee cap (see 2.1). Larger / exceptional items such as international travel (flights: economic rates; hotel: maximum NZD150 per night; car: max. NZD0.50/km) / non included candidates assessments, etc... will be subject to prior written approval by Eurofins.

3. Eurofins Protection

In the interest of a long-term collaboration between the Search Firm and Eurofins, the Search Firm undertakes not to contact any employee of the Eurofins Group as part of a third-party search, while the Search Firm is active for Eurofins and during a period of 12 months after the end of the latest search (i.e. recruitment for Eurofins of a candidate by the Search Firm or termination of a search contract).

3. Payments

- 3.1 The Supplier will customize their services in accordance with the demands of Eurofins, either in the form of a non-revisable fixed price or in the form of a maximum number of hours or units at a non-revisable hourly or unit rate.
- 3.2 Eurofins will not be liable for any additional payment for variations of work to be done without a written request from Eurofins. Before an additional payment can be made, a complementary quotation or variation approved in writing by an authorized representative of Eurofins must be obtained.
- 3.3 Eurofins will not pay for services that are not of a reasonable standard, or for delays where a deadline has been agreed (or if a dateline has not been agreed, delays after a reasonable period of time).

4. Supplementary Work

- 4.1 Any supplementary work that is not planned in the original agreement must be approved in advance and will be included in an additional agreement. The additional agreement will be subject to the same terms as the original acceptance and must be approved in writing by an authorised representative of Eurofins. It is the responsibility of the Supplier to inform Eurofins as soon as the possibility of additional work not covered by the original agreement arises. Without an additional agreement duly signed by Eurofins, any additional or supplementary work carried out by the Supplier will be considered to be part of the contract and will be

covered by the amounts specified in the agreement already signed. In these circumstances Eurofins will not be liable for any additional payment. Supplementary work that has been necessary because of poor quality of service, mistakes or omissions from the Supplier will be undertaken by the Supplier at the Supplier's cost, even if the defects or omissions are noted after completion of any work or service.

- 4.2 Where a tender is requested from Suppliers, in certain cases, a Supplier will be selected upon an estimated budget for various work spread out over a certain period. Eurofins will sign a frame agreement with the Supplier for the work to be carried out. These frame agreements should comply with the GTP. The Supplier will be obliged to provide quotation for each service included in the global budget and to obtain the signed approval from Eurofins before starting work. A detailed quotation must be supplied to Eurofins for each service indicating the non-revisable contract prices applicable for each item of the budget.
- 4.3 Each quotation will have to be approved by an authorised representative of Eurofins and will constitute an addendum to the frame agreement. In so far as the main Supplier who is the beneficiary of the frame agreement, subcontracts work (printing work for example) to another Supplier, Eurofins reserves the right to request tenders for this work and to select the most appropriate subcontractor. Eurofins will not be obliged to obtain the approval of the main Supplier for either the selection of the subcontractors to be contacted, or on the chosen subcontractor to do the work.
- 4.4 Any subcontracted work without approval of a specific quotation by Eurofins will be the financial responsibility of the Supplier. It is specifically agreed that the approval by Eurofins of a master budget will not imply the approval of the cost of each item of the budget which will be required to have detailed estimates that allow competition between suppliers. Quotations from Suppliers must reach Eurofins no later than 15 days before the date of the approval of the quotation by Eurofins to assure the completion of the services required within the timeframe required.
