

Privacy Notice

This Privacy Notice sets out the basis on which all personal data that we collect from you, or that you provide to us will be processed by us. Please read the following carefully to understand our views and practices regarding your personal data and how we will treat it.

If you have any questions regarding this Privacy Notice or if you want to lodge a request in relation to your personal information, please contact us via email at PrivacyANZ@eurofins.com.

Controller information

The entity in charge of the control of your personal information (referred hereinafter as the “controller” or “Eurofins” or “we”) is:

NSC Australia New Zealand
6 Monterey Road, Dandenong South, VIC 3175, Australia

What information do you have to provide?

You are not obliged to provide any of your personal information to Eurofins.

However, if you are interested in a current or future job at Eurofins, you should provide us with your curriculum vitae (“CV”) and any related relevant information, which should contain only as much of your personal information and data as is relevant to your application or for Eurofins to assess your suitability for any open jobs.

While you have no obligation whatsoever (including statutory or contractual) to do so, providing us with your CV and related information will assist in considering your application and suitability for employment.

You must not provide us with any special categories of personal data such as personal data revealing your racial or ethnic origin, your political opinions, your religious or philosophical beliefs, your trade union membership, your genetic data, your biometric data, data concerning your health or data concerning your sex life or sexual orientation or personal data relating to criminal convictions and offences.

If your CV or related information provided to us contain any of the above special categories of personal data, please remove them before submitting those documents to us.

If Eurofins requires any of these types of personal data in order to consider your application, we will request you to provide that data. Such special categories of personal data will only be requested by Eurofins to the extent necessary to consider your application as required by the circumstances and nature, and the management, control and processing of that data will be handled in accordance with all applicable local laws. You are not obliged to provide any of these types of personal data to Eurofins in response to a request, however if the data is necessary and relevant to a job you are applying for then that data may assist Eurofins in considering your application.

By choosing to provide us with any of your personal data (whether voluntarily or at the request of Eurofins), you give your free and voluntary consent to Eurofins using, processing and storing the data you have provided for the purposes set out in this notice. You can withdraw that consent at any time, as described further below.

What if you do not want to provide personal information?

If you do not agree to provide us with your CV, please do not submit any personal data to us. Please note that we may not be able to assess your application if you do not provide us with your CV.

What personal information do we collect and how?

We collect your personal data about

- your identity (name and surname);
- your occupation and professional experience;
- your academic experience;
- your licenses, registrations and other qualifications;
- your contact details and other personal details;
- your suitability for a relevant job position.

Your personal data may be collected from various sources, such as recruiting firms and publicly available sources (e.g. school directories, companies' websites etc.) as

well as other online sources and from the referees you provide and allow us to contact..

Why do we use personal information about you?

Your personal data will be stored, processed, used and disclosed by us for the following purposes:

- To assess your suitability for one of our present or future open job positions at Eurofins, and especially:
 - o To assess data about you against vacancies in any Eurofins company
 - o To send your information to other Eurofins companies in order to apply for jobs or to assess your eligibility for jobs
 - o To enable you to submit your CV or apply online for jobs at Eurofins
 - o To answer your questions and enquiries
