OFFICIAL

Drugs, Poisons and Controlled Substances Act 1981 (No. 9719)

Permit No. 27211486

- (b) The acquisition, storage, use, recording and destruction of the scheduled substances which are the subject of this permit must be strictly in accordance with the Victorian *Drugs, Poisons and Controlled Substances Act 1981* and the Regulations made under the Act.

The fact that the Department of Health has issued this permit must not be construed as meaning that the Department endorses any of the permit holder's activities involving the usage of scheduled substances obtained using the permit.

- (c) (i) To confirm compliance with the requirements of Victorian Drugs, Poisons and Controlled Substances legislation, or to propose changes to elements of this permit, the holder of this permit must complete the relevant *change or review* form, available from the Victorian Medicines and Poisons Regulation website.
- (ii) The person(s) named in the in the section on this permit titled "RESPONSIBLE PERSON(S)" have been delegated responsibility by the permit holder for overseeing compliance with legislation.
- (iii) When any person named in the section titled "RESPONSIBLE PERSON(S)" ceases employment with the permit holder or transfers to other responsibilities, the permit holder must, as soon practicably, notify the Department of Health about the change, by completing the *change or review* form, available from the Victorian Medicines and Poisons Regulation website.
- (d) The permit holder must maintain true and accurate records showing full details of all transactions of the acquisition, use and disposal of all scheduled substances subject to this permit. These records must be retained for a period of three years and produced, in writing, on demand to an authorised officer of the Department of Health.
- (e) The permit holder must ensure that any loss, theft or misappropriation of a scheduled medicine is reported to Victoria Police, and in writing to the Department of Health.
- (f) The permit holder must ensure that the maximum quantity of the substance(s) listed further below (in the section titled "MAXIMUM HOLDING QUANTITIES") does not exceed the corresponding quantity listed.
- (g) The permit holder must take all reasonable steps to ensure that—
- (i) the listed regulated Schedule 7 poisons are stored, held, or used on the premises to which this permit relates, except when required to be used offsite as part of the regular business activities of the permit holder;

This permit shall remain in force until 01/10/2026 next, unless renewed, cancelled, suspended or revoked in accordance with the provisions of the Act or Regulations thereunder.

OFFICIAL

Drugs, Poisons and Controlled Substances Act 1981 (No. 9719)
