

Your local partner for all your Petfood Testing.

We think it's important to be close to our customers, which is why you'll find Eurofins at eight locations from Auckland to Invercargill, making sure our world-class food and water testing is accessible to all who need it.

As a member and proud sponsor of the NZ Petfood Association, we offer the petfood industry a comprehensive testing suite including:

- Full Microbiological Analysis Capability
- Proximate Analysis
- Vitamins
- AAFCO Profile
- China MARA Profile

Really Local. Truly Global.

Bringing global expertise to regional New Zealand.

While our roots are local, our expertise is global. As part of a unique global network of over 900 laboratories, we tap into specialist centres of excellence for the latest testing technologies, and have access to over 200,000 analytical methods, offering you specialist analyses to support your local and export testing requirements.

Choose the lab that offers:

- **ISO 17025 accredited testing capability**
- **Competitive pricing**
- **Fast TATs so you can release your products faster**
- **Dedicated and experienced Analytical Service Managers as a single point of contact for all your day-to-day enquiries**
- **Real time visibility and sample tracking with our on-line customer portal**
- **Unparalleled service resilience**
