

## End of year Schedule 2025

Thank you for your support over the past year and we look forward to working with you in 2026.

Please be advised that Eurofins Chemical Analysis will be in limited operation throughout the end of year period and closed on public holidays.

**Samples can be received up until 4pm Friday 19 Dec 2025**, if you are planning to send samples after this date please get in touch to organise receiving your deliveries. The last date of sample receipt for guaranteed testing commencement in 2025 is scheduled as below. Samples received after these dates will be processed in January 2026 on a first in, first scheduled basis.
