## Wireless Device Testing Laboratories

### Wireless Device Testing laboratories recognized by Innovation, Science and Economic Development Canada to test to Canadian radio equipment requirements

The recognition of a testing laboratory by ISED does not imply or otherwise suggest approval of a product or that the recognized testing laboratory is an agent or representative of ISED. ISED does not accept any responsibility for the effects or consequences of services provided by the recognized testing laboratory for users of such services.

Click [here](#) for the IC number.
