

Need to send your samples to EUROFINS Laboratoire Cœur de France to have food and/or water samples tested for viruses ?

Please follow these 3 important steps !

1/ Fill out the Virology Sample Shipping Form

This form is available on our website : www.eurofins.com/virusdetection

- 1/ Do not forget to indicate the **order form number**, as well as the estimated **date of reception** of the samples.
- 2/ Specify the **level of urgency** for the analysis (normal - rush), in the relevant field.
- 3/ Specify if you want **quantification** (available only in case of a positive result).
- 4/ Make sure you write down the **exact reference** you want to have on the report for your sample.

Then,

- Send us this form by email or fax, at least 24 hours before you send the samples
By email : virus.aliments@ipl-groupe.fr and alainreynaud@eurofins.com
By fax : send the Sample shipping form to +33 4 70 47 71 29
- Keep a copy
- Insert the original in the parcel with the samples

2/ Prepare your samples

Product	Minimum quantity	Optimal quantity
Water	1 L	5 L
Bivalve molluscs* : Oysters Mussels	12 oysters 30 mussels	24 oysters 60 mussels
Scallops	20 scallops	40 scallops
Fruits and Vegetables	100 g	500 g
Herbs and Spices	25 g	100 g

* For other types of molluscs, please contact us

- *For batch release/liberation : please send the products in their final packaging in which they will be commercialised*
- *Refrigerate or freeze (except dry matter)*

3/ Optimise your packaging for transport

Please place your samples in a packaging which is :

- Water/air tight
- Absorbent enough in case of a leak (ie : thawing !)
- In a big enough exterior second parcel

Eurofins Laboratoire Cœur de France

Then send the parcel to :

Eurofins Laboratoire Cœur de France - BP 1707 - 03071 Moulins Cedex - France

If you have any question, please contact :

Stéphanie MICHAUX - Customer support manager - stephaniemichaux@eurofins.com
