

Exploratory Testing

Why Follow This Course?

- To contrast and compare structured and exploratory testing
- To determine when (just) exploratory is (in)appropriate
- To use “testing tours” to define test charters and structure the test process
- To use different styles of exploratory testing
- To plan, execute and document exploratory testing
- To understand and face the challenges of managing exploratory testing

Content

- Background of exploratory testing
- Exploratory testing defined
- When to use exploratory testing
