

## 7-Day Express Analysis

Eurofins BioPharma Product Testing Hamburg GmbH now offers the option of a 7-day express analysis for selected analytes, both according to EP and USP.

### Why Eurofins BioPharma Product Testing?

The Eurofins BioPharma Product Testing Group is the largest network of harmonized BioPharma product testing laboratories worldwide. The company has the widest range of analytical experience as well as state-of-the-art equipment to carry out all types of raw material testing. We are your partner of choice as a full-service provider.
