Website:
1. Area of Application
1.1 All Orders accepted by Eurofins Eaton Analytical, Inc. or any of its subsidiaries or affiliates, collectively: "EATON," will be governed by these General Terms and Conditions of Sale (the "Terms and Conditions"), including orders placed by telephone which have not been confirmed in writing and orders made by delivery of samples. A contract will only exist if the Conditions of Sale or the Conditions of Order and the Conditions of Dispatch correspond to those of the order that has been placed with EATON by the customer and EATON accepts the order by writing.

2. General Terms and Conditions. If EATON and Customer have an existing Service Agreement in place (i.e. Master Service Agreement, Laboratory Service Agreement or Pharmaceutical Service Agreement), that Agreement will constitute the entire agreement between the parties and any additional or conflicting terms and conditions are null and void.

3. These Terms and Conditions supersede and replace all prior verbal or written price quotations and agreements between the parties and, unless specifically indicated otherwise, take precedence over all conflicting or inconsistent provisions of subsequent written agreements between the parties; the only chairman or president (collectively, "Customer") has the authority to alter or waive any of these Terms and Conditions or to make any representation which conflicts with or purports to override any of these Terms and Conditions, and no such alteration, waiver or representation shall be binding upon EATON, unless it is in writing and signed by an officer of EATON.

4. Placement of Order
4.1 A customer's order will be valid only if it is sent by mail or fax or other electronic means of communication. For electronic orders, EATON confirms receipt of the order by email or fax at the time of the order. The customer must confirm in writing orders placed by telephone immediately after they are made and these confirmations may be mailed to: Eurofins Eaton Analytical, Inc., 5600 22nd Street NW, Suite 400, Washington, DC 20010. EATON reserves the right to return any order that is unclear and has been in receipt of all requested services for 6 months or more and the client that is unresponsive to repeated requests for a sample or invoiced.

5. Property Rights on Sample Material and Sample Storage
5.1 All samples become the property of EATON to the extent necessary for the performance of the order.

6. Delivery Dates, Tornado Time
6.1 Delivery dates and turnaround times are estimates and do not constitute a commitment by EATON. Nevertheless, EATON shall make commercially reasonable efforts to meet its estimated deadlines.

7. Transfer of Property
7.1 Title to any analysis results, products, equipment, software or similar supplied by EATON to the customer will remain with EATON until all invoices in respect thereof have been paid by the customer in full, and until such full payment, the customer shall have no property rights or other rights to use them. In addition, even if EATON has accepted and began to transfer an existing product or service, the customer shall not stop any process that is to be delivered and to stop doing any work for a customer if that customer is late in paying any amount due to EATON, whether to that or any other party.

8. Limited Warranties and Responsibilities
8.1 Orders are handled in the conditions available to EATON in accordance with the current analytical methods. EATON is not responsible for any errors or omissions that may result from the use of an analytical method that is commercially available but not recommended by EATON or any other method. EATON shall not be liable for any results that may not be 100% exact, even or irrelevant. Analyses, interpretations, investigations, consultations, or advice of any kind provided by EATON are not guaranteed to be commercially reasonable, or adequate. In the event of a breach of warranty, the customer's sole and exclusive remedy shall be limited to a) return of the goods, b) repair of the goods, c) replacement of the goods, and d) refund of the product price. If it is impossible to repair or replace the goods, or to refund the price, EATON's maximum liability shall be limited to the purchase price of the goods.

9. Rejected Analysis
9.1 The customer will be required to pay all costs, including sampling, transmittal, analysis, and all expenses for the analysis.

10. Force Majeure
10.1.EATON shall not be held liable for delays, errors, damages or other problems caused by acts of God or circumstances which are unforeseen or beyond the control of EATON, or result from compliance with governmental requests, laws and regulations.

11. Confidentiality & Processing of Customer Data
11.1 EATON shall be entitled to use and process commercial or personal data received from the customer in any way, subject to laws and regulations, which regulate the handling and processing of personal data.

12. Commercially Reasonable Efforts
12.1 EATON shall use commercially reasonable efforts to keep all analysis results and sales reports confidential, and the right to use them in order to demonstrate its entitlement to payment for services rendered.

13. Disclaimer and Miscellaneous
13.1 ALL TERMS, CONDITIONS AND WARRANTIES (INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE) AS TO THE MANNER, QUALITY AND TIMING OF THE TESTING SERVICES, EQUIPMENT PRODUCTS OR SOFTWARE SUPPLIED BY EATON ARE EXCLUDED TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. THE WARRANTIES, OBLIGATIONS AND LIABILITIES OF EATON CONTAINED IN THESE TERMS AND CONDITIONS ARE EXCLUSIVE.

13.2 These Terms and Conditions may be modified in writing from time to time by EATON and orders will be governed by the most recent version of these Terms and Conditions that is in effect at the time EATON accepts the order.

13.3 Should a court waive, limit or hold to be invalid, illegal or unenforceable any part of these Terms and Conditions, all other parts shall still apply to the greatest extent possible.

13.4 Failure by either party to exercise the rights under these Terms and Conditions shall not constitute a waiver or forfeiture of such rights.

14. Governing Law Jurisdiction
14.1 The place of performance of these Terms and Conditions shall be governed by the laws and the commercial courts of Lancaster, PA in which the registered office of the EATON company which accepted the order in question is located (including in cases of multiple accounts for the defense or third-party respondents), which shall have exclusive jurisdiction.
