RE: Certification

Dear Mr. Piechocki:

Enclosed are your new State of Colorado Chemistry, Radiochemistry and Microbiology Certificates and scope of accreditation dated **March 1, 2019**, which are effective through **February 29, 2020**. Reciprocal certification is based on the findings of February 27, 2018 On-Site visit by your accrediting authority, Oregon DHS, and your laboratory successful participation in recent Water Supply Proficiency Testing Studies for your requested and approved parameters list on your scope of accreditation.

This certification must be renewed by **February 2020** and it's the laboratory's responsibility to submit an application and fees in time of renewal. Please visit our website to download the necessary documents.

Thank you for your interest in maintaining reciprocal certification with the State of Colorado and if you have any questions or concerns, please feel free to contact me at (303) 692-3045.

Sincerely,

*Ben Chouaf, Certification Officer*
