By CERTIFIED MAIL

Mr. Matthew Hart
Laboratory Director
Eurofins Eaton Analytical, LLC.
EPA Code #IN00035
110 S Hill Street
South Bend, Indiana 46617 USA

RE: DRINKING WATER LABORATORY RECIPROCITY CERTIFICATION

Dear Mr. Hart:

Puerto Rico Department of Health Certification Officers evaluated documentation received concerning your facility for reciprocity certification. The purpose of this evaluation was to certify the facility by reciprocity in order to conduct chemical source and drinking water analyses, in accordance to the requirements of the "Manual for the Certification of Laboratories Analyzing Drinking Water, PRDOH-016-8-90, Revision 14.1", and the "Protocol for the Use of Water Supply Performance Evaluation Samples in the Drinking Water Laboratory Certification Program, PRDOH-016-6-92, Revision 7.0".

Based on the IN00035's file review, the INDOH's March 8, 2019 through December 31, 2022 (Issued on March 8, 2019) and ORELAP's September 17, 2018 through September 16, 2019 (Issued on September 17, 2018) Laboratory Scopes of Accreditation and the results obtained on QR031618A, RAD-114, WS-264, QR121218D, RAD-116 and WS-270 the PRDOH is granting the following certification renewal by parameter/methodology for this laboratory with changes listed below:

- **TTHM**

Total Trihalomethanes by EPA 524.3-Included as **Certified (C)** because it is within INDOH's Laboratory Scope of Certification and acceptable results were obtained on WS-264 and WS-270 PT study.

- **DBCP-EDB**

Dibromochloropropane and Ethylene Dibromide by EPA 524.3- Included as **Certified (C)** because it is within INDOH's Laboratory Scope of Certification and acceptable results were obtained on WS-270 PT study.

See Enclosed Certification Status List Granted

Mr. Matthew Hart
