Dear Dr. Bai,

Enclosed please find your Nebraska Certification by Reciprocity. Based on the documentation submitted, your Nebraska Certification has been granted through **March 31, 2026**. You may submit a request to extend your Nebraska Certification based on any future Drinking Water Laboratory Accreditation Program. I will be happy to review your request at that time.

Your Certification by Reciprocity authorizes the analysis of Nebraska drinking water samples and is only for the analytes and test methods cited on the attachment to your Nebraska certificate. This is based on the State of New York Department of Health Environmental Laboratory Approval Program accreditation effective date April 1, 2025.

If you have any changes in methods, supervisory personnel, ownership, name change, location or primary certification status, you are required to notify this office within 30 days.

For questions regarding your certification, please telephone me at (402) 471-8407 or e-mail me at tara.wulfekoetter@nebraska.gov.

Sincerely,

Tara Wulfekoetter
