RE: Chemistry Certification

Dear Veronika,

Enclosed is your new Colorado Department of Public Health and Environment Safe Drinking Water Act (SDWA) Chemistry Certificate along with the scope of certification, effective February 1, 2026 through January 31, 2027. Reciprocal certification is based on your State Accrediting Authority, North Carolina DOH, and successful participation in recent Water Supply Proficiency Testing Studies for your approved parameters.

This certification must be renewed by **January 2027**. Thank you for maintaining reciprocal certification with the State of Colorado.

If you have any questions, or if there are changes that may affect your certification status, you can reach the team at cdphe_labcert@state.co.us.

Regards,
