1. Area of Application

- 1.1 All Orders accepted by Eurofins' Danish subsidiaries or affiliates" (collectively, "Eurofins") will be governed by these General Terms and Conditions of Sales (the "Terms and Conditions"), including orders placed by telephone which have not been confirmed in writing and orders made by delivery of samples. A contract with these Terms and Conditions comes into being when an order that has been placed with Eurofins is accepted by Eurofins. An order placed with Eurofins is considered as accepted by Eurofins when (a) Eurofins proceeds to fulfil that order, without need for any written confirmation from Eurofins or (b) Eurofins accepts the order in writing.
- 1.2 These Terms and Conditions are valid for all agreements between the parties. Any deviations must be agreed in writing and specifically between the parties, other provisions of these Terms and Conditions will in that case remain in force between the parties. No officer (other than the Managing Director of Eurofins), employee, agent or subcontractor of Eurofins has the authority to alter or waive any of these Terms and Conditions or to make any representation which conflicts with or purports to override any of these Terms and Conditions; and no such alteration, waiver or representation shall be binding upon Eurofins, unless it is in writing and signed by the Managing Director of Eurofins.

2. Placement of Order

- 2.1 A customer's order will be valid only if it is sent by mail or fax or other electronic message on letterhead of the customer or by using Eurofins-approved sample dispatch sheets or electronic order forms and the commercial aspects of the order which are not specifically set out in these Terms and Conditions (including price, estimated turnaround times and delivery date) must be agreed at the time of the order. The customer must confirm in writing orders given by telephone immediately after they are made and will be deemed to have placed an order if the customer sends samples to Eurofins quoting the customer reference. Eurofins is not obligated to start any analytical work unless the order is clear and it has been provided all required information.
- 2.2 Unless specifically accepted in writing and signed by the Managing Director of Eurofins, any terms proposed or submitted by a customer at any time (including, but not limited to, terms or provisions in the customer's purchase order, instructions or other document) which differ from these Terms and Conditions are rejected as a material alteration of these Terms and Conditions and shall be of no force or effect. Furthermore, special terms or conditions of prior orders, including special pricing, will not automatically apply to subsequent orders. Unless a separate contract is made between the parties each order accepted by Eurofins will be treated as a separate contract between Eurofins and the customer.
- 2.3 Eurofins is entitled to charge management and administrative fees in connection with the request for additional services to an existing order. A request for additional services on samples that have entered the laboratory may postpone estimated delivery date accordingly.
