Certificate of analysis

Date: 09-01-2011

Please find enclosed the analytical results of the following analysis.

Certificate number	2011140989
Your project number	123456
Your project name	Soil
Your order number	
Samples received on	08-23-2011

This Certificate of Analysis may only be used in its entirety.
Additional information concerning this Certificate of Analysis can be found in the Analytico document 'Specifications of Methods of Analysis'. Copies are available from our Customer Service department.

Soil samples will be stored for a period of 6 weeks and water samples for a period of 2 weeks after receipt of the samples at our laboratory. Without any additional request, samples will be disposed when the above periods have expired. If you require Analytico to store the samples for a longer period, please complete this page and return it to Analytico at least one week before the period is due to expire. The costs of prolonged storage periods may be found in our fees overview.
