Please be advised of our operational schedule over the Christmas and New Year period. Sample drop-off locations will be closed during this time, and our laboratories will be closed on 24th, 25th, 26th December and 1st January (with an additional closure on 2nd January for our Livingston laboratory).

However, samples may be **delivered directly to our water laboratories** on the dates listed. **Drop-offs will be accepted until 2:00pm, except on New Year's Eve**, when the final drop-off time will be **12:00pm** and **microbiological samples only** will be accepted.

Key dates

- Tuesday 16th December 2025 - Final day to submit samples requiring BOD or subcontracted analysis including (but not limited to): fats, oil and grease, TOC, bromide, sulphide, TPH (hydrocarbons), cyanide, pesticides, total nitrogen, surfactants, Cryptosporidium and algae
- Monday 22nd December 2025 – Final day for collection from drop-off points
- Monday 5th January 2026 – Sample drop-offs locations reopen
