(Barcelona), Spain

The audit with ID 0021 R-V was conducted last 7th October 2021 on-site.

Many of the products manufactured by EUROFINS BIOPHARMA PRODUCT TESTING SPAIN S.L.U. were included in the audit scope. Contact AFA for more details.

Asociación Forum Auditorías is a GMP/GDP/GXP leading global provider, performing Audits according the most up to date GxP interpretation. We are aware of the great auditing pressure pharmaceutical suppliers suffer, we invite you to communicate to your customers in audit needs, the availability of the Final Report through AFA.

This will be an advantage for them as a ready-to-go audit report will be available. They will receive a complete audit report with auditor qualifications, complementary documentation and CAPA documentation (if applicable).

Please ask them to reach Ms. Laura Pérez, Operations Coordinator at AFA, at asociacion@forumauditorias.org for details.

Thank you,

Forum Auditorías Operations Team
